Johnson Bender & Company's website (www.johnsonbender.com) has been recognized by Google® as a *Favorite Place*.

In a recent letter to our firm, Google wrote in part: "Johnson Bender & Company was one of the most popular local businesses on Google, as measured by how many times people found your business listing, and clicked on it for more information"

"Johnson Bender & Company is one of less than 250,000 businesses in the U.S. to receive this recognition; that's less than 1% of all U.S. businesses."

We are excited by the growth our firm has experienced in recent years and want to thank all of our existing clients for the trust they have placed in us.

Thank you,

The Johnson Bender Team
